I would like to introduce myself. My name is Cindy Mitchell and I am the new General Manager for the Ashland Country Club. I am a past member and president of the Ashland Country Club. My husband is Tom Mitchell, who was also a past member and president of ACC. We have one daughter, Megan who is currently a senior at Ashland – Greenwood High School.

It is hard to believe that 2009 is just about over, but I'm very anxious for 2010 to get started. I look forward to meeting you all and getting the golf course into full swing.

The new ownership is committed to making the Ashland Country Club a course that you all want to be a part of and enjoy playing.

You will start to see some changes in the clubhouse, the website, and on the course.

The website will become more interactive to provide everyone with more information about ACC.

I hope that you will stop by and introduce yourself so I get a chance to put a face with your name.

GOLF COURSE NEWS

A Laws of Golf:

- Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

2009 winter was relatively mild until December. It appears that this December has produced more snow than most have seen for 30 years.

The snow cover across most of the course will protect the turf and add moisture to start the 2010 golfing year.

The grounds superintendent and assistant superintendent have changed their duties from mowing grass and tending to the sand traps, etc. to scooping and

moving the snow around.

They will soon be working on the equipment getting it into shape to be ready for the 2010 mowing season.

We will be taking out all of the old tree stumps in the fence lines and on the course as weather permits.

We welcome feedback and ideas you might have for the course or the clubhouse.

Golf New Year Resolutions

From sunny San Diego!

Improve your short game, generally the weakest part of an amateur's golf game.

Improve your mental game to finish your rounds of golf strongly.

Break your low score record from the previous year.

Improve greens in regulation. If you're irons

weren't too accurate last season then it's time to polish up on your approach shots.

Get a hole-in-one.

To play golf like you did ten years ago.

Play one round of golf with all your friends.

Improve your putting average.

"It took me seventeen years to get three thousand hits in baseball. I did it in one afternoon on the golf course."

Golf New Year Resolutions – continued:

By Bob Duncan

I will only play golf with the clubs that fit me. As Tiger Woods put it, "The best way to start off with any set of clubs is to have them built for your size. When you have a set that

is made for you it is amazing how much better you will be able to play.

I will play (emphasis on the word 'play' here) golf knowing that Attitude equals Aptitude! Probably the worst thing you can try

to do is to have Jack Nicklaus intensity when you're actually more like Boo Weekley (ok, maybe Fuzzy Zoeller maybe). There is no other game or sport where a great attitude is more important than in golf!

ALL ABOUT THE CLUB...

The Ashland Country Club and its employees are excited to be a part of a new company and the changes that will be happening. You will start to see some changes in the Clubhouse. These will be the start of things that will be happening. As always, we need to get our feet on the ground and take things one at a

time so that we do not have to recreate the wheel.

We look forward to reconnecting with the present members and getting to know all of the new members. We hope that you are all looking forward to the New Year and what it has to bring.

“HAPPY NEW YEAR!”
