GOLF COURSE NEWS

Mulligan:

An American went to golf with a newly acquainted Scottish golfer.

- After a bad tee shot, he pladed a "Mulligan" which was an extremely good one. He then asked the Scottish, "What do you call a Mulligan in Scotland?"
- "We call it 3."

We will be spot lighting the employees of the club to introduce them to you or let you know a little more about them in the months to come.

Tim Dickes is our course superintendent and has been with the club for 13 years. Tim graduated from Ashland-Greenwood H.S. in 1989, and went to the Air Force and then to college.

He and his wife Kris have been married for almost

13 years and have four boys, Kody (19), Austin (16), Caleb (9) and Tye (5).

Farming and raising livestock is also a part of Tim's life in the rural Ithaca area, as well as coaching little league baseball, basketball, along with 4-H.

He also has a few hobbies that he works in when possible. He likes to hunt, fish, golf (of course),

woodworking, ATV riding, and antique tractor pulling.

The grounds superintendent and assistant superintendent continue to scoop snow and keep the sidewalks clean ready for those sunny days approaching. They have been working on the equipment getting it into shape to be ready for the 2010 mowing season.

Your feedback and ideas are important to us!
